MISCELLANEOUS DEPARTMENTS.

FACTS REGARDING THE COLLEGE OF ENGINEERING, BANGALORE.

1. The College trains students for the B.E. Degree Examination of the Mysore University and provides instruction in Civil Mechanical and Electrical Engineering subjects.

2. Applicants for admission must have passed at least the Intermediate Examination in Science (leading to Engineering) of the Mysore University or examinations of this or other Universities accepted by the Council of the Mysore University as equivalent thereto. The number of students admitted to the First Year Class is restricted to 50, the admissions being ordinarily by selection according to merit. Students belonging to other Universities should produce certified copies of the marks obtained by them at the last public examination passed by them.

3. The tuition fees are Rs. 100 per year payable in two instalments of Rs. 50 each, the first on admission in July and the second in November. The Sports and Reading Room fees payable are Rs. 6 per year, also in two instalments. Each student on admission is required to deposit Rs. 60 of which Rs. 50 will be towards cost of any books and instruments that may have to be supplied to him and Rs. 10 against loss of or damage to tools, apparatus and Library books.

4. The course extends over four years followed by a year's practical training. The first year course is common to all students. In the second year students shall be permitted to select Civil, Mechanical or Electrical Engineering according to their aptitude as shown in the Examination held at the end of the first year. The B.E. Degree Examination is taken at the end of the fourth year,

5. The College Course commences on the 1st of July and the ends on the 2nd of April of each year. The summer vacation extends from April to June both months inclusive. There will be tours of inspection during the College course, and students are expected to spend a portion of their vacation in Engineering works and in making sketches and measured drawings.

6. Each student must provide himself with the necessary set of drawing instruments and text books prescribed. The cost of these for the whole course will be about Rs. 350.

7. A hostel is attached to the College which provides boarding and lodging for about 40 students and the expenses amount to about Rs. 25 per student per month.

8. Applications for admission in the prescribed form as printed on the reverse should reach the Principal before the 10th June.
